We must do it sincerely so that CSR will become the Group’s corporate culture. No matter in good times or bad times, we shall continue to pursue CSR in the Group.”

The Charity Sale started right after the ceremony in which the Group’s Corporate Office and its member companies set up booths at New World Centre to sell items collected from staff members. There were nearly 10,000 items collected including those from New World Development Company Limited and other member companies where public could purchase good quality products at bargain prices. All sales proceeds were donated to Hans Andersen Club (HAC) for providing support for children and young people. Also, over 400 members from NWS Volunteer Alliance taught some 100 underprivileged children from HAC to make origami flowers out of recycled red packets and “fai chun” and create stories to spread the caring and environmental protection messages to their families and friends on this special Valentine’s Day.
